RE: Request for Approval of Transfers of Notice of Intention, from Anasazi Gold, LLC (Quartz Lode / Dixie Ann Exploration Project -E/017/035), and from MCW Enterprises, LLC (Gold Queen Small Mine Project – S/017/035) to Martinique Mining Corporation, Garfield County, Utah

On July 12, 2001, the Division received two Transfers of Notice of Intention from Kim Wilson of Martinique Mining Corporation. Martinique Mining is taking over two operations in the Bromide Basin, Garfield County, which are currently permitted with Anasazi Gold, LLC and MCW Enterprises, LLC. The Division did not process these transfers until a field inspection of the sites could be performed to document the disturbance. On October 26, 2001, Division staff, along with the Bureau of Land Management performed the inspections. Mr. Wilson will assume all responsibility for the continued exploration and mining activities at these sites. The permit fees have been paid and are current for these two projects.

If you are in agreement with the acceptance of the two transfers for the exploration and mining projects, please sign and date the enclosed documents as indicated. We will then proceed to release Anasazi Gold and MCW Enterprises from any further responsibility at these sites. Thank you for your consideration of this request.
